Celebration of Life FUNERAL RECEPTIONS

Coming to terms with the loss of a loved one is something we all experience at some stage in our lives.

As well as coping with the grief there is the additional burden of arranging refreshments for family and friends at short notice.

If you are making funeral arrangements we can help organise the wake with sensitivity and kindness. Leave it with us and we will endeavour to provide a fitting occasion to ensure that your loved one will be remembered with dignity.

We pride ourselves on providing a professional but informal service and we aim to maintain the highest possible standards.

Windy Harbour situated in the rural foothills of the Peak District can accommodate small and intimate gatherings through to larger wakes for up to 160 guests. Various catering options are available including 3 course meals (from 10 - 25 persons) and finger buffets (upto 160 persons).

We aim to ensure a stress free reception or wake, giving you private time with relations and friends in one of our function rooms. Our conservatory and gardens have panoramic views overlooking Woodhead and Longdendale.

Our experienced and professional team of staff will make sure you are completely satisfied with all aspects of your day.

Our function co-ordinator will help you plan your wake. We pride ourselves on our attention to detail and understand the need to ensure that everything is just perfect for your day.
