Renewing vows

Review of Windy Harbour

5.0 Reviewed 6 days ago via mobile

I hosted my renewing vows a Windy Harbour Glossop, Lee was amazingly helpful specially that I had to arrange for it all from overseas, he was there to answer all the questions and calm the worries with his on spot answer of no problem we can sort it out for you. On the day, the whole team and Lee were amazing, friendly, had everything just as I asked and arranged for and more. The service was great and they indeed made my night extra special. I would recommend it to all my friends in UAE indeed. What makes this place special is the love and the dedication the staff have for their job, they all work together like a big happy family and they treat your event as it's for their own. They have the formula of success, amazing atmosphere, delicious food and above all, great customer service. [More](#)

Perfect Wedding Venue

Review of Windy Harbour

Well, where do we start about this amazing hotel. We first approached the owner, Lee, about hosting our Wedding there and he could not have been more helpful and informative. We were invited to come sample the food a few days later which we gladly accepted and fell even more in love with this place.

All the staff were more than friendly and very helpful with any questions we had in the run up to our big day. Lee was always on hand if we had any major queries and always open to any ideas we had.

Our Wedding day was beyond perfect and everything went to plan. The hotel looked beautiful and the staff on duty went above and beyond for all our guests to make sure we were looked after. The open plan bar and reception area more than catered all our guests and the conservatory area for the Wedding breakfast was beautifully decorated and light and spacious to get some great photos.

Our rooms were spacious and comfortable and very inviting after such a long hectic day but the sumptuous breakfast the following morning was very welcome. Me and my wife cannot recommend this place enough, it is in a beautiful setting in the High Peak and offers great value for money and we look forward to visiting you again

Room Tip: Great views all round and good value for money

Our son and daughter in law were married at the Windy Harbour Hotel on Saturday, everything went perfectly thanks to Lee, Sarah and not forgetting Chris, so friendly and of course the girls that helped at the wedding meal, which was lovely as were all the meals, we stayed for 2 nights and the rooms were comfortable and clean, the rooms that were used for the wedding are big enough for everyone to see the ceremony, couldn't find fault with anything, everyone enjoyed themselves and we can thank everyone for looking after us all.

The Perfect Wedding Venue

Review of Windy Harbour

5.0 Reviewed 14 October 2017

Our daughter got married on 7 Oct 17 at Windy Harbour. The venue was perfect. The ceremony was carried out at the venue and there were 50 for the wedding breakfast and 90 in the evening. It was fabulous, Lee and his team were very helpful and also helped with ensuring nothing was missed out. We would definitely recommend this as a very affordable and beautiful location. There are 6 bedrooms and the wedding party had sole use of these. There is also additional accommodation nearby. What a fabulous time we all had. Thank you Windy Harbour.

Room Tip: overlooking country side - we were in room 10 and had a lovely view, small, cozy but adequate for a night or 2.
